

AXEL CRUZ MACHADO

SENIOR PROJECT & PROGRAM MANAGER

Digital Platforms | Implementation | Content & Operational Delivery

Mexico City Metropolitan Area | axelcruzmachado@gmail.com | [linkedin.com/in/axeldanielcruzmachado](https://www.linkedin.com/in/axeldanielcruzmachado) | axelcruzcv.github.io

EXECUTIVE PROFILE

Senior project and program leader with 10+ years across digital platforms, implementation, creative/content delivery, learning technology, and operational improvement. Leads end-to-end delivery from requirements and scope through planning, resources, dependencies, vendors, risk, UAT/QA, stakeholder approval, launch, reporting, and continuous improvement. Combines cross-functional leadership with practical technical fluency in platforms, APIs, cloud environments, and AI-assisted workflows.

SELECTED IMPACT

15+ concurrent programs | **25** specialists led | **7,000+** platform users | **14 DAYS** critical LMS recovery

PROFESSIONAL EXPERIENCE

TOP OF MIND COMMUNICATION | Head of Coordination & Quality | Feb 2025–Present

- Lead up to 25 specialists and coordinate 15+ concurrent client programs across creative production, digital platforms, learning technology, software, and QA.
- Own end-to-end delivery: requirements, scope, schedules, resources, dependencies, vendors, budgets, risks/issues, review, UAT/QA, stakeholder approval, launch, and continuous improvement.
- Direct cross-functional delivery for enterprise clients including Kia, KPMG, Mazda, Costco, Hino, Edenred, and Teojama; manage changing requirements, operational blockers, and executive/client communication.

TOP OF MIND COMMUNICATION | Digital Project Coordinator — Enterprise Platforms & Content | Feb 2024–Jan 2025

- Coordinated LMS and digital-platform operations for 7,000+ users, 60+ WBT productions, and high-volume content programs including 180 Kia assets; managed UAT, issue resolution, reporting, revisions, and delivery.
- Helped restore two business-critical LMS environments within 14 days by prioritizing issues, aligning technical/content teams, testing fixes, and managing stakeholder expectations.

FENTEC APPS & WEB | Founder & Digital Solutions Lead | Mar 2015–Feb 2024 | Part-time 2023–2024

- Led digital projects from discovery and requirements through planning, development coordination, testing, deployment, support, and long-term evolution; managed vendors, project budgets, platform requirements, and client stakeholders.
- Delivered and operated enterprise LMS environments for Hino (2,000+ users) and Edenred (5,000+ users), coordinating web platforms, AWS, REST APIs, databases, SCORM/xAPI, UAT, and content operations.

TOCA CONTACT CENTER | HR Manager — Training, Operations & Performance | Jan 2023–Feb 2024

- Complementary operations leadership: helped scale an HSBC sales operation from 3 to 50+ agents through structured onboarding, coaching, performance routines, and cross-functional execution.
