PROFESSIONAL SUMMARY

Project and program leader with **10+ years** across enterprise learning platforms, creative production and client services. Translate business needs into scope, estimates and coordinated delivery, connecting technical and creative specialists from discovery through release, support and account development.

15+ concurrent projects | Teams of up to 25 | Hino: 2,000+ users | Edenred: 5,000+ users

CORE EXPERTISE

Program and project management; stakeholder and client management; cross-functional leadership; roadmaps; resource and capacity planning; budgets and estimates; risk, dependencies and change control; quality assurance (QA); user acceptance testing (UAT); digital learning and learning management systems (LMS); creative operations.

PROFESSIONAL EXPERIENCE

Top of Mind Communication (TOM)

Head of Coordination & Quality | Jul 2025 - Present

Digital Project Coordinator | Feb 2024 - Jul 2025

Enterprise clients include KPMG, Kia, Mazda, Costco, Hino, Edenred and Teojama.

- Lead portfolios of **15+ concurrent projects** and teams of **up to 25 specialists** across UX/UI, software, video, animation, instructional content and QA.
- Own scope, estimates, schedules, capacity, dependencies and client approvals. Coordinate change control, QA/UAT, costs and profitability across **10+ client relationships**.
- Oversee learning-platform operations supporting **2,000+ Hino users** and **5,000+ Edenred users**, coordinating specialist teams, support priorities, verification and releases.
- Coordinated service recovery across Hino and Edenred in **14 days**, aligning engineering, QA, access validation and client communication.
- Expanded a Costco engagement from one renovation-proposal video into **12 location-related projects**, managing scope, pricing, negotiation, reviews and creative delivery.
- Manage recurring KPMG communications delivery in **ClickUp**, coordinating newscasts, podcasts, animation, event materials and stakeholder review. Connect Kia and Mazda content needs with production and instructional specialists.
- Partner with HR on specialist hiring through CV review, interviews and assessments, clarifying the capabilities and evidence each project needs.

PROFESSIONAL EXPERIENCE CONTINUED

Fentec Apps & Web / Fenrir Creative Studios

Founder & Digital Solutions Lead | Mar 2015 - Feb 2024

- Founded and ran a digital studio, originating **15+ client engagements** and owning proposals, pricing, staffing, budgets, delivery, support and profitability.
- Originated and closed Hino's initial LMS engagement, a **seven-figure MXN opportunity**. Led discovery, specialist delivery and platform evolution within a client relationship sustained for **10+ years**.
- Coordinated Hino's web, iOS and Android learning ecosystem, certification workflows and reporting, including **60+ web-based training productions** for a network of **38 dealers**.
- Delivered **10+ websites and web experiences**, including WordPress and Shopify projects. Coordinated UX/UI, engineering, creative teams and vendors from requirements through launch and support.

TOCA Contact Center

HR & Operations Manager | Jan 2023 - Feb 2024

- Helped scale an HSBC-linked operation from **3 to 50+ agents** through recruitment, onboarding, training and performance follow-up, connecting leadership, operations and talent.
- Built company-wide HR processes for an operation of **500+ agents**. Supported campaign operations that ranked **No. 1 for 6+ months**.

EDUCATION AND PROFESSIONAL DEVELOPMENT

Bachelor of Engineering in Interactive Technologies and Digital Animation

Universidad del Valle de México | 2017

Continuous professional development

Project management course completed October 2026. Ongoing study in Agile, Scrum, web development, AI and data.

TOOLS AND TECHNICAL ENVIRONMENTS

Project delivery: ClickUp, Jira, Asana, Notion, Microsoft Excel, Google Sheets, PowerPoint and Google Workspace.

Creative production and CMS: Adobe Creative Cloud, particularly Photoshop and Premiere Pro; WordPress and Shopify project delivery.

Technical coordination: AWS (EC2, RDS, S3, CloudFront), Django/REST, React, PostgreSQL, web and native mobile platforms, and SCORM workflows. Work delivered with specialist developers.

AI-assisted workflows: ChatGPT for research, planning, documentation and review, with human validation.
