linkedin.com/in/axeldanielcruzmachado | axelcruzcv.github.io/cv/
Spanish native | English C1 / Full Professional Proficiency

Senior project manager and digital studio founder with 10+ years across creative production, digital platforms and client services. Lead 15+ concurrent projects and teams of up to 25, connecting scope, capacity, quality and project economics. Own client delivery from discovery and estimates through launch, support and account development.

15+ concurrent projects | Teams up to 25 | 4+ digital platforms across their full lifecycle

PROFESSIONAL EXPERIENCE

TOP OF MIND COMMUNICATION | Feb 2024 - Present

Head of Coordination & Quality | Feb 2025 - Present
Digital Project Coordinator | Feb 2024 - Jan 2025

- Lead creative, digital and learning delivery for KPMG, Kia, Mazda, Costco, Hino, Edenred and Teojama across design, video, animation, content, software and QA.
- Own estimates, schedules, capacity, dependencies and client approvals; manage formal change control, QA/UAT, project costs and profitability. Run KPMG delivery in ClickUp.
- Improved workflows and quality controls to stabilize Hino and Edenred delivery, supporting platforms serving 2,000+ and 5,000+ users respectively.
- Expanded a Costco engagement from one renovation proposal video into 12 location-related projects across audiovisual, interactive, presentation and printed materials.

FENTEC APPS & WEB / FENRIR CREATIVE STUDIOS | Mar 2015 - Feb 2024

Founder & Digital Solutions Lead | Part-time 2023-2024

- Built and ran a digital studio, originating 15+ client engagements and owning proposals, pricing, staffing, budgets, delivery, support and profitability.
- Originated and closed Hino's initial LMS engagement of approximately MXN 1.4M; led discovery, specialist delivery and ongoing evolution with business, training and IT stakeholders.
- Delivered 10+ websites and web experiences, including WordPress and Shopify projects; coordinated engineering, creative teams and vendors from requirements through launch.

TOCA CONTACT CENTER | HR & Operations Manager | Jan 2023 - Feb 2024

- Helped scale an HSBC-linked operation from 3 to 50+ agents through recruiting, onboarding, training and performance follow-up, coordinating leadership, operations and talent.

CAPABILITIES AND TOOLS

Integrated production; client services; scope and change control; capacity planning; budgets and profitability; risk management; QA/UAT; Agile, Scrum and Kanban.

ClickUp, Jira, Asana, monday.com, Notion, Excel/Google Sheets; Adobe Creative Cloud, with strongest proficiency in Photoshop and Premiere Pro; AI-assisted research, planning and review.
